Friday, March 23: **SCBO 2.0** goes **LIVE**

(Advertisers, set your accounts up early at <https://scbo.sc.gov/account-request>)

SCBO will switch over to an on-going database on 3/23/2018.

This change will make our advertisements highly searchable and will tailor the readers' experience to their individual interests! Advertisers will **CREATE AND UPLOAD THEIR OWN ADS** in our new platform, eliminating the need to send them to the SCBO editor for review and layout.

It's self-service -- SCBO style! Check out the samples below:

Invitations for Architectural / Engineering, Land Surveying & Construction Management Services

Solicitation Number S-221-18

Project 1: US 1 BRIDGE REPLACEMENT OVER BIG HORSE CREEK IN AIKEN COUNTY

Project 2: US 1 BRIDGE REPLACEMENT OVER SHAWS CREEK IN AIKEN COUNTY

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing engineering services for the development and delivery of preliminary roadway and bridge plans, environmental studies and documentation, environmental permitting, right of way plans and final construction plans for roadways and bridges, and associated design/coordination services. Consulting firms will be asked to identify each bridge replacement project(s) the firm is interested in within the Letter of Interest contained in the submitted RFP response. Each firm may express interest in one or both of the projects. For each project identified in the Letter of Interest four (4) additional proposal document pages will be allowed for each bridge replacement approach/understanding in addition to the 30 basic RFP response pages allowed. This will result in a total of 38 maximum allowed RFP response pages.

Requested services include but are not limited to: project management, field surveys, traffic studies, environmental studies and documentation including public involvement, environmental permitting, bridge design, structural design, roadway design, hydrology/hydraulic design, geotechnical services, hazardous materials survey, subsurface utility engineering, utility coordination, right of way phase support, right of way coordination, right of way acquisition, development of preliminary/final right of way plans, value engineering, development of preliminary/final construction plans, pavement marking and signing plan, constructability review, construction phase services, engineer's estimate/project specific special provisions and other related duties deemed necessary. SCDOT intends to select and negotiate a contract with one consultant team for development of these projects. The project team should be capable of providing all services outlined above.

The SCDOT will select two (2) different consultant firms to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. A consultant firm can only be awarded one project, either Project 1 (US 1 Bridge Replacement over Big Horse Creek in Aiken County) or Project 2 (US 1 Bridge Replacement over Shaws Creek in Aiken County). RFP responses will be evaluated and scored for the project(s) identified in the Letter of Interest. The highest ranking firm expressing interest in Project 1 will be awarded that project, but then will not be a contender for Project 2. The highest ranking firm among the remaining firms who expressed interest in Project 2 will be awarded that project.

Whether or not there is a Disadvantaged Business Enterprise (DBE) goal on this contract, proposer is strongly encouraged to obtain the maximum amount of DBE participation feasible on the contract. The selected consultant will be required to report all DBE participation through the DBE Quarterly Report required in the supplemental specification.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5

For questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth at 803-737-0746 or via email at Hollingswg@scdot.org or Diane Stubbs at 803-737-4901 or via email at Stubbsdg@scdot.org. Electronic Submissions are due no later than 2:00pm, April 10, 2018.

ON-CALL ENVIRONMENTAL NEPA AND PERMITTING SERVICES

Solicitation Number: S-232-18

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing Environmental NEPA and Permitting Services on an on-call basis necessary to provide support to SCDOT Staff in accordance with Federal and State laws and regulations. Requested services include but are not limited to the following Primary Objectives: (1) NEPA studies and documentation. (2) Jurisdictional determinations. (3) Public Involvement. (4) Permit submittals. (5) Development and Implementation of mitigation plans.

These services will be provided under a three (3) year statewide On-Call contract on an "as needed" basis. The SCDOT will select up to five (5) firms to provide these services, with a total maximum On-Call amount for the three (3) year period not to exceed \$10,000,000.00 to be distributed among the selected firms. Consultants will be evaluated and ranked based on their score during the selection process. Work under this on-call will be assigned based on the consultant's qualifications for the project being assigned for an individual task order/work order. The project team should be capable of providing all services outlined above.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5

For questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth at 803-737-0746 or via email at Hollingswg@scdot.org or Diane Stubbs at 803-737-4901 or via email at Stubbsdg@scdot.org. Electronic Submissions are due no later than 2:00pm, April 2, 2018.

RFQ 2018-0008

The Town of Hilton Head Island (Town) is soliciting responses from qualified civil engineering firms interested in providing professional services in the form traffic engineering modeling and analysis, and design for the Shelter Cove Area US 278 Business Corridor Traffic Study.

One (1) bound copy of the response AND a digital file of the response (PDF format) must be labeled and submitted via traceable means to the Town no later than 4:00pm on April 16th, 2018 at the following address:

Town of Hilton Head Island
Engineering Division
One Town Center Court
Hilton Head Island, SC 29928-2701
Attn: Mr. Darrin A. Shoemaker, P.E.
RFQ 2018-0008 - SHELTER COVE AREA US 278 BUSINESS CORRIDOR TRAFFIC STUDY

All responses will be reviewed and evaluated by a selection committee comprised of selected members of the Town's staff. If warranted, additional information may be requested by the Town following the receipt of the responses. To submit inquiries concerning this RFQ or to obtain the complete RFQ solicitation, contact Mr. Darrin Shoemaker, P.E. during normal business hours at 843-341-4774 darrins@hiltonheadislandsc.gov or go to the procurement section of the Town's web site: <http://www.hiltonheadislandsc.gov/government/procurement/>.

Project Descriptions:

The Town desires to study vehicular, pedestrian, and bicycle traffic related to safety, operations, and capacity needs within a segment of the US 278 Business (William Hilton Parkway) corridor. The limits of the corridor are from US 278 Business' signalized intersection with S-7-200 (Singleton Beach Road) southwest to the signalized intersection with Queens Folly Road/King Neptune Drive. The signalized intersections forming the termini of the study limits should be included in the study area. The study shall employ collision histories as provided by the Town, existing traffic demands, field conditions, existing signalized intersection operating plans, and 2040 demand projections to analyze transportation system needs, including the installation of new signals based on warrants as outlined in the Manual on Uniform Traffic Control Devices (MUTCD), signal timing and/or phasing revisions, the addition of signalized or unsignalized pedestrian crosswalks, geometric improvements in the form of additional lanes or other improvements, landscaping and streetscaping enhancements, and access management. The study shall consider a potential new access point or points to serve the Palmetto Dunes community, including the extension of Yard Arm (named street) to US 278 Business. There have been multiple fatal or serious injury collisions involving pedestrians or bicyclists in the study area. A section of the study report shall be devoted to analyses of these incidents and associated safety improvement recommendations.

Submission Requirements:

All responses shall be mailed or hand delivered in sealed envelopes, identified as RFQ 2018-0008 – SHELTER COVE AREA US 278 BUSINESS CORRIDOR TRAFFIC STUDY, to Darrin Shoemaker, P.E., Traffic and Transportation Engineer on or before the due date indicated above. Responses received after this time or date shall not be considered. The Town of Hilton Head Island, by way of this RFQ, does not commit itself to award a contract or pay any costs incurred in the preparation of your response. The Town further reserves the right to accept or reject any or all responses received, to schedule in-person interviews with firms following their submission of a response, to enter into negotiations with all qualified respondents, and to cancel the entire RFQ solicitation.

Those submitting qualifications shall be licensed to perform the work described herein as required by Section 40 11 10 et seq, South Carolina Code of Laws, 1976 (as amended) and Section 10 1 10 et seq, Code of the Town of Hilton Head Island, South Carolina, 1983 (as amended).

The Town does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or in the provision of goods and services.

Description of Project: It is the intent of the LSCOG, on behalf of the six county region, to solicit a Request for Proposals (RFPs) from qualified firms to provide transportation planning professional services that will result in a 5-year update to the Long Range Transportation Plan (LRTP) within the LSCOG region. The firm selected will have expertise in the development of LRTPs (or similar) projects. The successful team must be familiar with

state and federal environmental laws and regulations, and must possess a demonstrated ability to conduct effective public meetings, hearings, and public outreach.

Consultant Selection: In consultant selection LSCOG will consider experience, qualifications, and technical competence in the type of work required (30%); travel modeling capabilities (10%); experience with public engagement, performance measures, congestion management, and multi-modal planning (30%); availability of staff and ability to mobilize quickly and meet project schedules with limited oversight (20%); and cost (10%).
Submission: Respondents interested in being considered for this work should respond with one (1) original and seven (7) copies of a cover letter and Proposal addressing the evaluation criteria no later than 3:00 p.m. on April 6, 2018 and must clearly be marked "LSCOG 2040 Long Range Transportation Plan."

The successful consultant shall comply with the requirements of Title 49 CFR Part 21 & Title VI of the Civil Rights Act of 1964. The successful consultant shall provide services in compliance with the Americans with Disabilities Act of 1990. LSCOG strongly encourages the use and involvements of Disadvantaged Business Enterprises (DBE) on this project.

The full requirements for the proposals package can be found at www.lscog.org.

All submittals are to be received by Amanda J. Sievers, Planning Manager, at the Lower Savannah Council of Governments, 2748 Wagener Rd.(Physical Address), PO Box 180, Aiken, SC 29802, no later than 3:00pm, on April 6, 2018.

SCBO Notices

PROPOSED 2018 EDITION OF THE *MANUAL FOR PLANNING AND EXECUTION OF STATE PERMANENT IMPROVEMENTS, PART II*

The Office of the State Engineer is announcing the release of the proposed 2018 Edition of the *Manual for Planning and Execution of State Permanent Improvements, Part II* ("The Manual"), for review and comment pursuant to Section 11-45-3240. Interested parties may review the proposed 2018 Manual at:

<https://procurement.sc.gov/node/5936>

Significant changes that have been made in the Manual include the following:

- Tables and Permits relocated from the Chapters to an Appendix;
- Combined chapters and sub-chapters;
- Eliminated the prohibition of fire retardant treated wood from Chapter 5;
- Eliminated the Cost Guide and Multiplier method for awarding Construction IDCs.
- Revised and completed Chapter 11, Construction Manager at Risk (CM-R) with accompanying CM-R forms (400 series);
- Revised and completed Chapter 12, Design-Build, Design-Build-Operate-Maintain and Design-Build-Finance-Operate-Maintain with accompanying DB forms (700 series);

Please send all questions and/or comments to Tia Vaughan at lvaughan@mmo.sc.gov.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-ops/fixed-price-bids-ss>.
